

**WATER DISTRIBUTION TECHNICIAN
PUBLIC WORKS DEPARTMENT**

SALARY RANGE: \$19.41 - \$26.01 per hour

CLOSING DATE: September 22, 2015

ABOUT THE JOB: The City of Beaverton is seeking a Water Distribution Technician to perform maintenance and repair of the city water distribution system.

ESSENTIAL FUNCTIONS OF THE JOB:

- Maintain, repair, disinfect and replace main and service distribution lines including meters and meter boxes, conduct pressure and leak checks;
- Perform hydrant and valve maintenance;
- Take routine water samples throughout the city and deliver to testing laboratory;
- Set up safety traffic controls, shoring and enter confined spaces;
- Operate heavy equipment such as vactor, loaders, backhoe, ten-yard dump trucks, and other equipment as assigned;
- Repair concrete curbs, sidewalks, driveways and landscapes after utility repairs;
- Provide excellence in internal and external customer service;
- Support and respect diversity in the workplace.

TO QUALIFY: Requires a high school diploma or GED and three years' experience in water distribution systems operations and maintenance or an equivalent combination of education and experience.

LICENSING REQUIRED:

- Commercial driver's license B with air brake endorsement by end of probation (6 months)
- Traffic flagger training required within three months
- CPR and First Aid certification within six months
- Must pass city physical exam and respirator fitness test
- Oregon Health Division Water Distribution Operator in Training Certificate required at first opportunity after date of hire
- Oregon Health Division Water Distribution Operator Certificate 1 required within one year of employment
- Oregon Health Division Backflow Certificate preferable.

HOW TO APPLY: All interested individuals may apply by submitting a City of Beaverton application form to the Human Resources Department, Beaverton City Hall, 12725 SW Griffith Drive, Beaverton, OR 97005. Applications may be obtained on our website at www.BeavertonOregon.gov.
